

**Declaration of quality properties
According European building materials directive Nr. 305/2011,
Annex III and Changes Nr. 574/2014**

Nr. S195T-CPR-06

1 An unique registered identification number of the product:

S195T / 1.0026

2 Intended use of the product:

Round cross-section unalloyed steel pipes for transport of materials in liquid and in gas and for other purposes.

Chemical composition	nominal wall thickness (mm)	actual value		
		Element	max (%)	
		C	0.20	
		Si	-	
		Mn	1,4	
		P	0,035	
	S	0,030		
Durability: The durability against corrosion depends on the type of protection and/or the thickness of the coating.				
Burning behavior: Euro class A1				

8 Appropriate technical documentation is not applicable.

The performance characteristics of the products indicated above correspond to the declared in item 7 performance characteristics.

This Declaration is made in accordance with the Regulation No. 305/2011 under the personal responsibility of the manufacturer.
